

PERSONAL PROTECTIVE EQUIPMENT (PPE) POLICY

It is the policy of Energy Works technology Limited (EWT) to provide relevant and high quality Personal Protective Equipment: coverall, safety foot wears, Hardhats, hand-gloves etc, as minimum, for all persons engaged in her operations at no charge.

Continually, the Management shall enforce the effective use and maintenance of available personal protective equipment, which entails regular condition audits and replacement of defective ones.

Sites safety officers and supervisors shall continue to monitor compliance with this policy.

A handwritten signature in blue ink, consisting of a large, stylized initial 'D' followed by the name 'Dale' in a cursive script.
